this is me

My name is Michael Kapoor.

I am thirty years old and single.

I work as a journalist

with The Daily Telegraph.

I live in a flat in the heart of London.

I have lots of friends,

and one of my closest friends is Ted.

He is a lawyer.

Ted lives with his girlfriend,

not far away from me.

This is an ordinary day

in my life.

The alarm clock wakes me up at 7 am.

I take a shower and get dressed.

I lock the door and leave home.

I go to a café round the corner.

I have a sandwich

and a glass of juice.

After breakfast

I go to my office by tube,

only a few stations

from where I live.
